## MEET SHARDA

---

I'm Sharda, the owner & principal photographer of Write Dream Do Here. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Here's the absolute truth! It's SO much more than just a photo being captured, it's God who seals these moments in time to remind us of who we are because these joy-filled, ordained moments carry significant memories. It's my heart for you to see your images and feel that emotion over again. I help you document life's extraordinary pockets of joy & create visuals telling your story beyond the lens.

I thought, was only going to be a fun creative release and hobby, but not for long. When I started to take photos of everyday life, (basically vlogging before it became a thing, right?). One of my good friends in the arts saw my photos and asked if I had ever thought about pursuing photography. And that's just it, I started thinking about it and then I realized it was more of a calling, the gift of God to story tell wonder. From weddings to lifestyle portraits, I fell in love with capturing joy!

Today I've documented a paramount of legacy, memorable, beautiful, timeless moments that will testify throughout generations to come.
